Hello Andre

My letter that was circulated to the I&APs is an accurate summary of verbal discussions and written correspondence between myself and the environmental team.

I am reminded that as an internal advisor to this project, I am not in a position to engage in further discussion with you. Should you have any queries, please contact Chand directly.

Thanks -- Marius Burger

Dear Mr Burger

You attached letter has been released today for viewing, but not comment.

I would be grateful if you would confirm that this version of the letter is exactly the same as that which originally informed the current version of the Todd faunal report.

Thanks you

Andre van der Spuy
